

CORPORATE LEADERSHIP IN SAFETY AWARD

This award is given to a member company recognizing its dedication, outstanding contribution, commitment, and leadership, to the SCSA's mission of *Constructing Leadership* and vision of *Creating the Safest Construction Environment in Canada*.

ELIGIBILITY:

Must be an SCSA member company and the company must be a resident of the region, or have a local office or project in the current calendar year.

CRITERIA:

- Actively involved with local Regional Safety Committee.
- Provides assistance in identifying health and safety concerns to their local Regional Safety Committee and the SCSA.
- Involved in health and safety initiatives within their local Regional Safety Committee and/or community.
- Enforces safety standards within the company by creating and maintaining a safety program.
- Involved with SCSA through participation in the COR® program (registered or taking courses towards will be considered).
- Provide health and safety training to employees. Consideration will be given to all SCSA programs as well as other in house or out sourced programs.
- Promotes health and safety at the worksite through use of SCSA materials or other relevant promotional initiatives.
- Uses SCSA materials and resources to enhance company safety meetings.

PROCESS:

The company can be nominated by committee members, clients, labour organizations or industry associations. A company may also nominate itself. The nominator identifies which committee the nomination is for.

- 1) A nomination questionnaire is completed by the nominating body or individual.
- 2) Completed nomination questionnaire forms and/or letters must be submitted for review by email to the SCSA Executive Assistant, eadmin@scsaonline.ca on or before December 31st to be eligible for the SCSA Corporate Leadership in Safety Award. **Note: The Company being nominated must complete the questionnaire in Part II and submit the same way.**
- 3) The SCSA Awards Committee reviews submissions and selects the award finalists and the final winner. The SCSA will be recognizing up to three finalists with one final winner selected from the list of finalists.
- 4) Finalists will be notified by email near end of February.
- 5) Finalist will be recognized at the AGM in March.

THE FINAL WINNER WILL BE REVEALED AT THE AGM

**CORPORATE LEADERSHIP IN SAFETY AWARD
NOMINATION QUESTIONNAIRE**

PART II – Nominee to Complete

This section is to be completed by the company being nominated. Additional information may be attached.

1. Provide a brief summary on how your organization influences a health and safety culture both within the organization and externally contributing to *Creating the Safest Construction Environment in Canada*. (i.e., safety, leadership, performance, industry impact, communication system, etc.)

2. Explain how your organization goes above and beyond minimum safety compliances in your industry. Supporting documentation may be attached.

3. Does your company participate in and attend regular **SCSA Regional Safety Committee meetings**? Please provide supporting documentation including events, name of attendees and date attended.

4. How does your company provide assistance in identifying health and safety topics, issues, suggestions or ideas to the SCSA and **SCSA Regional Safety Committee**?

5. Would you consider your company to be actively engaged in supporting a safety culture within the community by participating in and attending safety events? If yes, please indicate safety events attended or initiatives involved in.

6. Describe initiatives used by your company to promote health and safety awareness internally.

7. Provide a list of your company's health and safety training program and delivery method.

| TRAINING PROGRAM | DELIVERY METHOD |
|------------------|-----------------|
