

CORPORATE LEADERSHIP IN SAFETY AWARD

This award is given to a member company recognizing its dedication, outstanding contribution, commitment, and leadership, to the SCSA's mission of *Constructing Leadership* and vision of *Creating the Safest Construction Environment in Canada*.

ELIGIBILITY:

Must be an SCSA member company and the company must be a resident of the region, or have a local office or project in the current calendar year.

CRITERIA:

- Actively involved with local Regional Safety Committee.
- Provides assistance in identifying health and safety concerns to their local Regional Safety Committee and the SCSA.
- Involved in health and safety initiatives within their local Regional Safety Committee and/or community.
- Enforces safety standards within the company by creating and maintaining a safety program.
- Involved with SCSA through participation in the COR[®] program (registered or taking courses towards will be considered).
- Provide health and safety training to employees. Consideration will be given to all SCSA programs as well as other in house or out sourced programs.
- Promotes health and safety at the worksite through use of SCSA materials or other relevant promotional initiatives.
- Uses SCSA materials and resources to enhance company safety meetings.

PROCESS:

The company can be nominated by committee members, clients, labour organizations or industry associations. A company may also nominate itself. The nominator identifies which committee the nomination is for.

- 1) A nomination questionnaire is completed by the nominating body or individual.
- 2) Completed nomination questionnaire forms and/or letters must be submitted for review by email to the SCSA Executive Assistant, eadmin@scsaonline.ca on or before December 31st to be eligible for the SCSA Corporate Leadership in Safety Award. **Note: The Company being nominated must complete the questionnaire in Part II and submit the same way.**
- 3) The SCSA Awards Committee reviews submissions and selects the award finalists and the final winner. The SCSA will be recognizing up to three finalists with one final winner selected from the list of finalists.
- 4) Finalists will be notified by email near end of February.
- 5) Finalist will be recognized at the AGM in March.

THE FINAL WINNER WILL BE REVEALED AT THE AGM

PART I – Nominator to Complete

This particular nomination questionnaire is broken out into two parts. Part 1 is to be completed by either an individual or company nominating another organization. Additional information may be attached.

1. Provide a brief summary on how this organization influences core values of a safety culture promoting a healthier work environment contributing to *Creating the Safest Construction Environment in Canada*.

2. Does the nominated company participate in and attend the **SCSA Regional Safety Committee** meetings? In point form, provide a list initiatives the nominated company participates in through the Regional Safety Committee.

3. Is this company actively engaged in supporting a safety culture within the community by participating in and attending other safety events and do they participate in other safety driven committees? Please provide examples.

4. Describe initiatives used by the nominated company to promote health and safety awareness within their **company**.

5. Identify the key elements of the nominated companies' health and safety management program. Do they use any SCSA materials and resources to enhance their safety meetings?
