SCSA Update

March/April 2017

COR REGISTRATION PROCESS UPDATES

To assist companies in their progress toward achieving Certificate of Recognition (COR®) certification and to enhance the integrity of the program, the SCSA has implemented updates to the registration process. **Companies registering for the COR program must achieve certification within 18 months by meeting the following milestones:**

Milestone #1

- Complete minimum training standards and proficiencies required
- Ensure Health and Safety Manual is submitted, reviewed, and approved by the SCSA within 12 months of registration date

Milestone #2

- Schedule and complete a Baseline Audit
- Successfully achieve COR certification within 18 months of the registration date

SCSA AGM & SAFETY AWARDS

The Saskatchewan Construction Safety Association (SCSA) was proud to recognize several important safety leaders in the province at its AGM on Feb. 16 in Saskatoon. The AGM was kicked off with keynote speaker, Dr. Larry Rosia, President and CEO of Saskatchewan Polytechnic, who spoke about the changes facing the construction industry and the

close relationship between Saskatchewan Polytechnic and the SCSA. Congratulations to the following individuals and their regions for demonstrating a strong commitment to safety in their communities:

Board of Directors Recognition of Service

- **2016 Chairperson:** Stacie Beever
- **Five Years of Service:** Ken Pickering; Glenda Barton

2016 SCSA Safety Award Winners

- **Corporate Leadership in Safety Award:**
Asiil Enterprises, Elite Metal Builders, Nobel Construction Corporation, RH Electric Ltd., North Ridge Development Corporation, and Westridge Construction
- **Safety Practitioner Award**
Brian Hilderman of the Yorkton RSC, Jason McLeod of the Saskatoon RSC, and Jeff Cochrane of the Prince Albert RSC
- **RSC Distinguished Progress Award:**
Lakeland Regional Safety Committee

Visit scsaonline.ca/safety-awards for photos and application information for the 2017 year.

RSC MEETING MINUTES PROCESS UPDATES

Please note the following:

- ⇒ PDF draft minutes of each RSC meeting are to be sent to the Chairperson, Vice-Chairperson and Worker Rep even if they are not in attendance
- ⇒ Draft minutes will be posted by the Communications Department within one week and then replaced by the approved minutes once they are formally approved at the following meeting;
- ⇒ Printed copies of previous meeting minutes will no longer be provided. They will be emailed out prior to the meeting and available on the SCSA website, here:

Saskatoon Regional Safety Committee

April 20, 2017

The budget and how effects this industry is the talk of the day. The new PST on all construction has taken the whole industry by surprise and caught us off guard.

But, the talk here today is about safety and how it impacts you currently. Our focus on being a resource for the participants of the RSC as well as members of the SCSA .

Our annual event is upcoming and you will see by the posters on your tables that we are looking forward to a great turnout this year .We have a collaboration of the SCSA and the CSSE working together to make a great event. The SCSSA will be doing demonstrations and safety suppliers will be their with their wares. We still have room for participants to have table displays so contact myself 306.242.2434 or Andrea at 306.230.6221 as we are working together for registrations. Mark your calendars for May 12 the doors open at 11.

We are in the spring time and down the road you may be hiring part time and temporary workers. If you plug into the internet and got to "Young Workers Readiness Certificate Course " and it can be done by the worker allowing them to go into the workforce. They will be able to print off their certificate and validate their eligibility to work.

I look forward to a busy summer and the economy giving us a break. Take care and work safe out there.

Chair Person

Pearl McNevin Williams
