

Canada-Saskatchewan Job Grant Train the Workers You Need

The SCSA is proud to be an eligible third-party training institution in the Canada-Saskatchewan Job Grant program. Through this program, employers in the province are empowered to select individuals and the type of training required to meet their workforce needs.

To access a Job Grant, employers must contribute at least one third of the training costs. The remaining two-thirds, up to a maximum of \$10,000, are funded throughout the Job Grant. Tuition fees, learning materials, examinations, and other training costs are covered under the Grant.

Note: The maximum government contribution to a Canada-Saskatchewan Job Grant is \$10,000 per trainee.

If you meet the requirements list, complete the Job Grant Eligibility Checklist form online at www.economy.gov.sk.ca/job-grant-checklist and submit it to your local Labour Market Services Office to start the application process.
