#### Online Courses

Choose from a variety of convenient [online safety courses](#) to advance your safety knowledge anywhere, any time, and at your own pace!

#### Safety Demos

Contact your [nearest SCSA office](#) to book a free on-site safety

#### February Toolbox Talk

- 16% of lung cancer deaths are attributable to radon exposure in Canada. Take the latest Tool Box Talk on [radon gas](#) to your next safety meeting! There are a number of Tool Box Talks topics [at this link](#).

#### SCSA Nominated for Paragon Award

As a non-profit safety association dedicated to helping prevent injuries and fatalities, the SCSA wants to see everyone in, and connected to, the construction industry go home safe at the end of every day and one way to do that is through a targeted marketing campaign. Getting noticed on social media channels with a specific message is tough, getting noticed at the provincial and national level like the SCSA did with the OHS app is a real accomplishment. [Read more](#)

#### New SCSA Asbestos Demo

Historically the SCSA has provided a variety of safety demonstrations focused around the importance of proper use and maintenance of personal protective equipment (PPE) - back protection, eye protection, fall protection, hand protection, head protection and ladder safety. In 2018, an asbestos demonstration has been added to this line up. [Read more](#)
