Mobile App Making It Easier to Work Safe

- reprinted story by Ashley Robinson, REGINA LEADER-POST, published on: September 10, 2017

Over the years, the Saskatchewan Construction Safety Association (SCSA) has heard the same excuses when it comes to workplaces not following the Occupational Health and Safety legislation - "I didn't know."

"There really wasn't an excuse anymore to be able to say I couldn't get the information quickly and it's a real challenge on that end. But it also brings a lot of awareness to companies that this stuff is important, it's critical and that you've got a way to avoid having these fines or convictions," said Collin Pullar, president of the SCSA.
