Looking for a Career in Safety?

Find out how you can earn a safety designation by completing the [National Construction Safety Officer \(NCSO\)](#) or the [Health and Safety Administrator](#)

COR® Anniversaries

The SCSA is proud to recognize all COR® and SECOR® certified companies, especially ones who have maintained certification for over a decade! Congrats to **Keller Foundations Limited** for reaching their 15-year milestone and to **RNF Ventures Ltd.** on reaching their 20-year milestone as COR certified companies! Watch this [congratulatory video](#) from SCSA President, Collin Pullar.

SCOT® now includes WHMIS 2015

The Saskatchewan Construction Orientation Training (SCOT®) online training course was recently updated to comply with Workplace Hazardous Materials Information System (WHMIS) 2015 Globally Harmonized System (GHS) standards. A WHMIS 2015 certificate will be issued to those who successfully complete the SCOT course. [Learn more](#)

2017 SCSA AGM Video

[Watch the 2017 SCSA AGM](#) that took place in Saskatoon on Feb.16, 2017 for a keynote address from Dr. Larry Rosia, President and CEO of Saskatchewan Polytechnic, on the changes facing the construction industry in Saskatchewan. Also find out who your newly elected [SCSA Board of Directors](#) are for 2017 and watch our [SCSA Safety Award recipients](#) receive their awards, among other official business.

Saskatchewan Construction Week

The first-ever [Saskatchewan Construction Week](#) proclaimed April 3-7, 2017 by the Government of Saskatchewan is a celebration of the important economic and social contributions made by the province's second largest private sector employer. Check out the various [events and activities planned for construction week](#) and join us for an important conversation on the future of construction safety in our province at the Sask Construction Safety Summit. SCSA President, Collin Pullar and WCB VP of

(HSA) program. Also check our [Careers page](#) for current and future job opportunities with the SCSA!

Classroom Courses

Don't delay your professional safety goals any longer! [Search our schedule and register](#) for multiple courses.

Online Courses

Choose from hundreds of convenient [online safety courses](#) to advance your safety knowledge anywhere, any time, and at your own pace!

Safety Demos
