Regional Safety Committee Meetings

Enjoy breakfast or lunch as you discuss safety topics and network with other safety professionals in the construction industry! [RSVP](#) for the next RSC meeting in your region.

Tool Box Talks

Take the latest [Tool Box Talk](#) to your next Safety Meeting!

CDA-SK Job Grant: Apply by Aug. 31

The Canada-Saskatchewan Job Grant will be accepting applications until August 31. Take advantage of this invaluable opportunity to increase your training budget and get your workers trained through the SCSA – an eligible third-party training institution under the Grant. [Read More](#)

Health and Safety Leadership Charter

Help make Saskatchewan safer by signing the Saskatchewan Health and Safety Leadership Charter on June 8. Join the SCSA and 600 signatories of the charter to increase awareness about how injuries are preventable and not an inevitable part of life. [Read More/View all SCSA COR® Companies Who Have Signed the Charter](#)

Safety: Rewarding and Meaningful Career

Check out *the Sophisticated Woman Regina* magazine article "[Safety: Rewarding & Meaningful Career.](#)" feat. Milayna Goruick, Safety Coordinator at Westridge Construction, and SCSA President, Collin Pullar, to learn how Goruick advanced her career in safety and recently earned her

company a Corporate Leadership in Safety Award through the knowledge and training she received from the SCSA.

Excellence in Ethics: BBB Torch Awards

The Better Business Bureau (BBB) is hosting the Torch Awards for Ethics in Regina on May 4, 2017 ([View Media Release](#)) to celebrate organizations that make a continuous commitment to implement the highest standards of leadership character and organizational ethics. Join SCSA President, Collin Pullar, who will be part of a panel discussing the theme of "Commitment - To Business, to Ethics, to Community" [Read More/Register](#)

Looking for a Career in Safety?

Find out how you can earn a safety designation by completing the [National Construction Safety Officer \(NCSO\)](#) or the [Health and Safety Administrator \(HSA\)](#) program. Also check our [Careers page](#) for current and future job opportunities with the SCSA!

Classroom Courses

Don't delay your professional safety goals any longer! [Search our schedule and register](#) for multiple courses.

Online Courses

Choose from hundreds of convenient [online safety courses](#) to advance your safety knowledge anywhere, any time, and at your own pace!

Safety Demos

Contact your [nearest SCSA office](#) to book a free on-site safety demo presentation at your worksite or event!

Managing Mental Health: Bridges Health/ SCC

Learn more about the importance of mental health to Canadian workers and employers on May 3, 2017 in Saskatoon. Bridges Health, in partnership with the Saskatchewan Chamber of Commerce (SCC), present "Working Well: Managing Mental Health in the Workplace." [Read More/Register](#)

Get Loud for Mental Health Week

May 1 - 7 marks Canadian Mental Health Association (CMHA) Mental Health Week dedicated to raising awareness for mental health in Canada. [Learn More](#) about this year's CMHA "Sick of Waiting: #Get Loud for #Mental Health" campaign that pays special attention to the long waits to see a mental health professional and for improvements to the mental health system of Canada

NAOSH Week Activities

Celebrate the 20th anniversary of North American Occupational Safety and Health ([NAOSH](#)) Week (May 7-13, 2017) in your area! [NAOSH Activities throughout Saskatchewan](#) will be bigger and better this year. Come out and enjoy the free food, giveaways, and awesome safety demos from your favourite SCSA Safety Advisors.

Injuries and Fatalities: Know What to Do

Although all incidents are avoidable and preventable, be proactive and know what to do in the event a severe injury or fatality occurs on your worksite. Watch the [Responding to Workplace Fatalities Video](#) from Canadian Occupational Safety, which recommends you:

- 1) **Create an Emergency Plan**
- 2) **Preserve the Scene of an Incident**
- 3) **Contact Your Legal Counsel and Insurer**

Did You Know? SCSA Advisory Services

The SCSA actively assists companies in implementing, monitoring, and improving their safety management system – from registration to certification! Take advantage of the free hands-on support from our Safety Advisors. They are the most qualified source to help you achieve and maintain your COR or SECOR certification, and best of all – this advice is free for all members. [Contact us](#) today so we can answer your questions and help you advance your company's safety goals.
